Armstrong and Spallumcheen Recreation Fair

In September 2025, the Armstrong Spallumcheen Recreation Fair is hosting its third annual Recreation Fair at the Armstrong Curling Club. The Recreation Fair is designed to showcase recreational opportunities such as service clubs, sports organizations, hobbies and businesses in our community and surrounding areas. Exhibitors have included equestrian stables, spinning and weaving classes, car clubs, the Kin Club of Canada, gymnasiums, Martial arts, and dance lessons! Attendees have included recently retired people, young families, and new community members – folks at different stages of life, looking for new experiences. Building on the success of the last two years we are planning our 2025 event to include offering a complete immersive experience, coupling old fashioned face-to-face interactions with a robust online presence.

To help fund the event we are seeking community partners to join us in engaging your community. To that end we have developed the following funding opportunities tailored to suit every budget.
